of Vote

Complying with the request of the chairmen of the Republican and he captained several debating classes Attorney General John H. Light yestions which are likely to confront election officials in towns where the Australian ballot is to be used at the election on Tuesday. He sums up by saying that he is of the opinion that the moderator, in construing the law, "should keep in mind that an elector should not be deprived of his vote except upon a plain and unambiguous provision of the law." The request from the state chairmen was as fol-

"Inasmuch, as under the new lot law, numerous questions are likely to arise in passing upon the validity and effect of ballots cast at the state election, we hereby respectfully request you to prepare and issue, for the guidance of moderators and other election officials, a statement embodying your opinion upon such ques-The opinion of the attorney gen-

Hartford, Nov. 3, 1910. Hon. Michael Kenealy, chairman Republican state central committee, and Hon. Charles W. Comstock, chairman Democratic state central committee.

Gentlemen: Agreeable to your request, and in order that the moderafore he has been appointed treasurer questions of the day much thought uniform standard by which to judge and study.

"The ultimate purpose of the statutes regulating the exercise of the right of suffrage is to secure an or-

ful judicial construction, from a too strict regard for the mere letter of the statute, or from a resort to nice or technical refinements in the interpretation or application of the law." In the case of Fields vs. Osborne 60 Conn. 549, the court says: "There can be no question but that the legislature intended to say that a

ballot which fails to accord with certain specificially enumerated requirements should be void, irrespective of all considerations as to the intent or effect of such failure. It considered uniformity an important means of preventing fraud. It is not within the province of the court to say what conform shall be; the act itself fixes that," and the court further held that it was their duty to construe the statute so that the voter shall not be deprived of his vote except upon a plain and unambiguous provision of

In the case of Coughlin vs. Mc-Elroy, 72 Conn. 107, the court says: "Marks upon the face of ballots which appear or are shown to have been made accidentally, and not for jured in the performance of their the purpose of indicating the voter, and changes, for the existence of which a reasonable explanation con-

son whose name is so written.' If an elector should desire to vot for one of the candidates to fill the office for governor, without voting a party ticket, he may do so by writing the name of such person in blank column on the line under the title of "governor," and such ballot shall be counted for the candidate whose name is so written. This illustration may serve for all

of the candidates for the several ofices named on the ballot. How to Vote When the Number of Names on the Ballot for a Particular Office Do Not Equal the Number for Whom an

Elector is Entitled to Vote.

The law provides that where the names of two or more candidates for the same political party and for the same office appear printed on said ballot, and the number of names on the legality of ballots cast, I submit said ballot for such office does not He has shone more than once upon the following opinion.

To preface what I have to say, I tor is entitled to vote, he may make the public platform. His most notwill first call attention to the lan- the cross mark "X" in the space at guage of our supreme court in cer- the left of the name of any candison, not printed on said ballot, for

whom he desires to vote. This provision covers a case where, derly and faithful expression and registration of the popular will upon the questions submitted for decision. If ballots are to be rejected and voters thereby disfranchised, it should be because the legislature has seen fit to make nominations for representatives. An elector may vote for one or both of the representatives of another party by making the cross mark "X" in the voting space at the require it in the interest of an hon-est suffrage, and has expressed that requirement in unmistakable langu-age. It should not result from doubt-space in the voting space at the left of the name or names in any other party column for whom he de-requirement in unmistakable langu-sires to vote, or he may write in the space in the blank column the name of any person, not printed on said ballet, for whom he desires to vote, that is he may write in the name of a candidate who has not been nominated by any party. How to Test the Legality of a Ballot.

The law provides that "If any ballot shall contain any mark or device other than as hereinbefore provided, so that the same may be identified in such manner as to indicate who might have cast the same, or shall be folded otherwise than as delivered to the voter by the ballot clerk the ballot shall not be counted, but shall be kept by the moderator and returned to the town clerk in the ballot box in a separate

such e'ection." In passing upon marked ballots the moderator should keep in mind the language of Chief Justice Hall in the case of Coughlin vs. McElroy, cited above, that "marks upon the face of ballots which appear or are shown to have been made accidentally, and not for the purpose of indicating the voter, and changes for the existence of which a reasonable explanation consistent with honesty and good faith, either appears upon the face of the not render the ballot void. I am of the opinion that modera-

tors in the discharge of the duty of construing the ballot law should keep in mind that an elector should not be deprived of his vote except upon a olain and unambiguous provision of
